WHAT YOU'LL LOVE ABOUT THE SUPERCOURSE

Easy differentiation

Each student can take their own path through the content based on their unique learning needs

Everything in one place

All student results are collated in one place for a much clearer and deeper picture of their progress

Greater flexibility

Seamless access to Years 7, 8, 9 and 10 mathematics content allows for greater flexibility

Unbeatable value

Get access to Jacaranda's high-quality Maths Quest 7-10 digital titles – all for just an extra \$5 per student, per year

Digital choice

Unlimited access to our digital formats to meet your school's needs – learnON and printable PDFs

Custom assessments

Create and assign an unlimited amount of custom tests using any question from all four titles

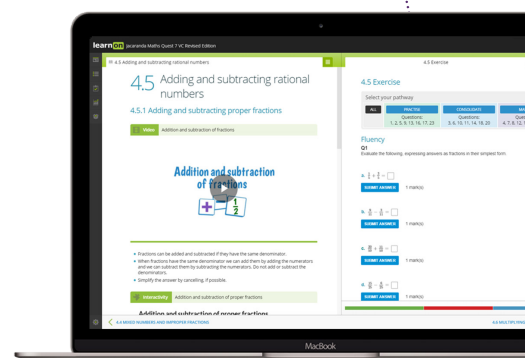

600+ additional resources

Access to over 600 additional interactivities, worksheets, videos and other teaching and learning resources

PRICING

All of this and more is available for the low price of \$49.95 (AC RRP \$180) per student for one-year access, available for individual purchase or as an institutional licence.
